NOTICE: You are expected to be on time for each rotation at every clinical site. If you are going to be late or if you are going to be absent, you must call the clinical site and the CRC department (445-9284) within 15 minutes of the starting time of the clinical rotation (leave a message at the CRC office if no one answers). For an excused absence you must have a legitimate excuse. Each unexcused absence or failure to give notice as mentioned here will result in a reduction of your final grade in this course. Each excused absence must be made-up or will result in a 2% reduction in your final grade for each unresolved absence. Students must talk face-to-face to Bill Pruitt within 3 "business" days of the absence to arrange make-ups.

**ANY QUESTIONS ABOUT THIS - Call (office) 251-445-9284**

**Affective Assessment Evaluations** should be **submitted online** at <http://www.southalabama.edu/colleges/alliedhealth/crc/aaf.html> at the end of each "week" numbered 1-12 (so each student will have 4 AA to be turned in for this portion of the rotation). A pdf is also available on our webpage under 'Links and Documents'. If the pdf is used, it must be faxed or mailed to Bill Pruitt before the end of the week.

**Bronchoscopy:** The student coordinator is designated with a ^ in the schedule. The coordinator is to call the day before to find out about the bronchs scheduled the next day. Call the RT Dept. at the **Infirmery (435-4810)** or **Providence (633-1486 or 633-1977 x474 pager, then enter your ph #) before 3:00 PM** or **Springhill @ 460-5262 after 5:30 PM**. Once you know where your are going, **call the CRC office phone at 445-9284** and leave message where you and the other student(s) will be and the time(s) of the bronchs. If no bronchs are scheduled, you must call Bill Pruitt by 7:15 AM on cell 586-3479. **For all bronch procedures - arrive at least 45 minutes ahead of the scheduled time in order to see/participate in the patient preparation.** Example: For a bronch scheduled for 8:00 AM - you must be there by 7:15 AM. Get directions to each bronch lab during your phone call to set up your schedule. Bronch staff must give approval for more than one student to attend a bronchoscopy. Students must talk to coordinator to decide who is going where for bronch procedures.

**Cath Lab:** Cardiac Cath Lab at Springhill Hospital, 3rd floor in the Medical Building attached by crosswalk to the hospital. Signs will say "Restricted Area" - go to the Cath Lab main desk and check-in with Sabriena White (if available) at 7:30 AM. **Tuesday afternoon may involve a rotation at the Victory Clinic - if schedule reads CATH\* in yellow. Everyone goes to VHP once this semester**

**PFT:** In the basement of the USA MC. Check in with Anita Dixon Mr. Pruitt will be with you for 3 days as much as possible. On the other days you will be under Anita Dixon's supervision. **Tuesday afternoon may involve a rotation at the Victory Clinic - if schedule reads PFT\* or PFT#.**

**Victory Health Partners:** Designated by \* or # and yellow highlight on schedule. **(Victory Clinic)** is at 3750 Professional Pkwy. (251-460-0999). This rotation is on **Tues only from 1:00 PM to 4:30 PM**. This rotation is designated in the YELLOW highlight on the schedule.

**Typhon** - You are to clock in and out for **all clinical activities** and select your preceptor for the day. If the preceptor's name is not found, email the details (name, location) to Bill Pruitt to add the name.
